

Series PB 2015

Twin-spindle Paper Drilling Machine

Twin-spindle paper drilling machine, bench top handle lever with automatic disposal of paper trimmings for each spindle. Available as stand version with automatic spindle stroke via foot-switch or with manual spindle stroke via foot treadle.

- Bench or stand version
- Sliding table with programme shaft for 6 adjustable hole centres
- Manual spindle stroke via foot treadle
- Automatic spindle stroke via foot switch
- Infinitely RPM-variation
- Fixed or adjustable distance between spindles

Series PB 2015 Features and Technical Equipment

PB 2015 / 1 + 2

PB 2015 / 3 + 4

PB 2015 / 5 + 6

No. of drilling spindles	2		
Drilling spindle distance	80mm or 60-120mm		
Drilling diameter	2-15mm		
Drilling speeds	2400 r.p.m.		
Drill types	High-performance-steel, hard chrome, titanium / glide coating / detonation-coated		
Drilling depth max.	60mm		
Table size, fix table	650 x 550mm		
Table size, sliding table	650 x 380mm		
Throat depth	110mm		
Displacement up to	360mm		
Paper size	up to DIN A3		
Materials	Paper / plastic / leather		
Power supply	230V oder 400V / 50Hz		
Drive output	0,55 / 0,8kW		
Machine Dimensions (H/W/D)	740 / 650 / 550 (fix table) 780 / 650 / 620 (sliding table)	1580 / 650 / 550 (fix table) 1580 / 650 / 620 (sliding table)	1580 / 650 / 550 (fix table) 1580 / 650 / 620 (sliding table)
Weight	58kg	110kg	120kg
Certified by	GS / CE		
Options	Sliding table, programme shaft, automatic spindle stroke, foot-switch operation, automatic drill cooling system. Further models and special designs on your request. Contact us!
